# ABOUT PROMAR

Since its establishment in 2003, PROMAR asserted its inherent footprint on the market amidst a myriad of competitors. Given its status as a stalwart advertising company, PROMAR has always adapted to shifts in the dynamics of modern marketing to diversify its consistently successful plans and strategies. As such, PROMAR has, over time, substantially cultivated its portfolio to a threshold of excellency and renown through overcoming all barriers which stood in its path to notoriety and by developing a new, encompassing servicing concept that gives PROMAR the moniker of a full communication house. As a testament of its achievements, in 2013, we have significantly increased the reach of our clientele to seek out and collaborate with prominent consumers in Qatar and the Ivory Coast.

Building upon that, PROMAR works today in partnership with its clients; operating through its multi-tasking and highly efficacious marketing department in order to offer all users a comprehensive and infallible strategy guaranteed to yield success given its basis on extensive market studies coupled with PROMAR's many years of experience. To elaborate, such strategies are implemented on both the external and internal levels, employing both ATL and BTL knowledge to attain the most optimal and desirable of results. With a determined mission, a focused vision and an unflinching drive to achieve the impossible, our team is dedicated to constantly exceeding all set expectations as PROMAR sets itself to be the author of many groundbreaking success stories that are yet to come.
